Please find below a communication from the EXAMINER in charge of this application.

1. The communication filed on 03/24/97 is non-responsive to the prior Office action because applicants' evidence of conception of the instant invention prior to November 26, 1990 in the form of copies of billing records which are alleged to comprise an attachment entitled Appendix 1 has not been provided. Applicants' declaration under 37CFR 1.131 appears to form the basis of applicants' arguments in overcoming the prior art of record. Accordingly, in order to make the process of examination of the instant application as efficient as possible, applicants are requested to provide a complete declaration under 37CFR 1.131 including supporting evidence so that a complete examination of the instant application can be made. Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a **TIME LIMIT of ONE MONTH** from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. **NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37.CFR 1.136(a) OR (b)**, but the period for response set in the last office action may be extended up to a maximum of **SIX MONTHS**.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Aaron J. Lewis whose telephone number is (703) 308-0716.
